

# W elcome

So as to further enhance your dining experience with us, we would like to make the following recommendations to match food and wine. If some of the dishes mentioned are not on your menu they may be prepared for you as a special.

## **With Chardonnay**

The richly textured, buttery and nutty character of these wines is well suited to a spread of our Tandoori starters such as Chicken Tikka and Tandoori Prawns. For the main course especially good are the fuller bodied delicacies with creamy, cardamom infused sauces such as Prawn Malai Curry and Chicken Khorma.

## **With Chenin Blanc and Riesling**

Cashew and almond nut paste enhanced dishes, again those grilled in the Tandoor and finished in creamy sauces with tomato and tamarind – such as Chicken Tikka Masala and Butter Chicken, are well suited to the crisp character of Chenin. The light and fresh apple texture of the Riesling makes it a suitable partner to several of our vegetable preparations that have subtle coriander and cumin seed spicing.

## **With Sauvignon Blanc**

Chicken and Lamb preparations with pronounced flavours, such as those with tomatoes, sun dried coriander and caramelised onions are well matched with the tight, mineral 'green fruit' character of Sauvignon. Try with either the Bhoona Gosht or Chicken Madras.

## **With White Blends**

The dry and off dry styles, with little residual sugar, are definite considerations to accompany our skillfully spiced vegetarian dishes, with subtle combinations of delicate and aromatic spices – the likes of Dal Makhani and Paneer Makhni. The sweet blends are best matched with Karai Chicken or Lamb Do Piazza, and Jalfrezis which are fairly hot and liberally spiced.

## **With Rosé and Blanc de Noir**

Absolutely a must with our Mughlai preparations, especially the Kaliya Kesar and all the Briyanis. Mughlai foods are creamy and delicate with gentle and subdued combinations of cinnamon, cardamom and Star anise. Dried fruits are used as thickening agents, which contribute to the rich textures and flavours.

## **With Cabernet Sauvignon**

Cabernets have a powerful mouth feel to them so are best with strongly spiced but not necessarily chilli-hot, sauces. Suggested with Lamb Rogan Josh, Lamb Madras and Chicken Madras.

## **With Shiraz**

Hot and spicy Chicken or Lamb Vindaloo are the perfect partners to a fully textured Shiraz. Alternatively, try with the Fish Malabar Curry or Prawn Pepper Fry.

## **With Merlot**

Seafood curries elegantly partner this noble varietal with its classic full flavoured palate of red berries and spices. Merlot should also be tried with the not too creamy but full textured Lamb and Chicken main courses such as Chicken Masala or Lamb Coconut Curry.

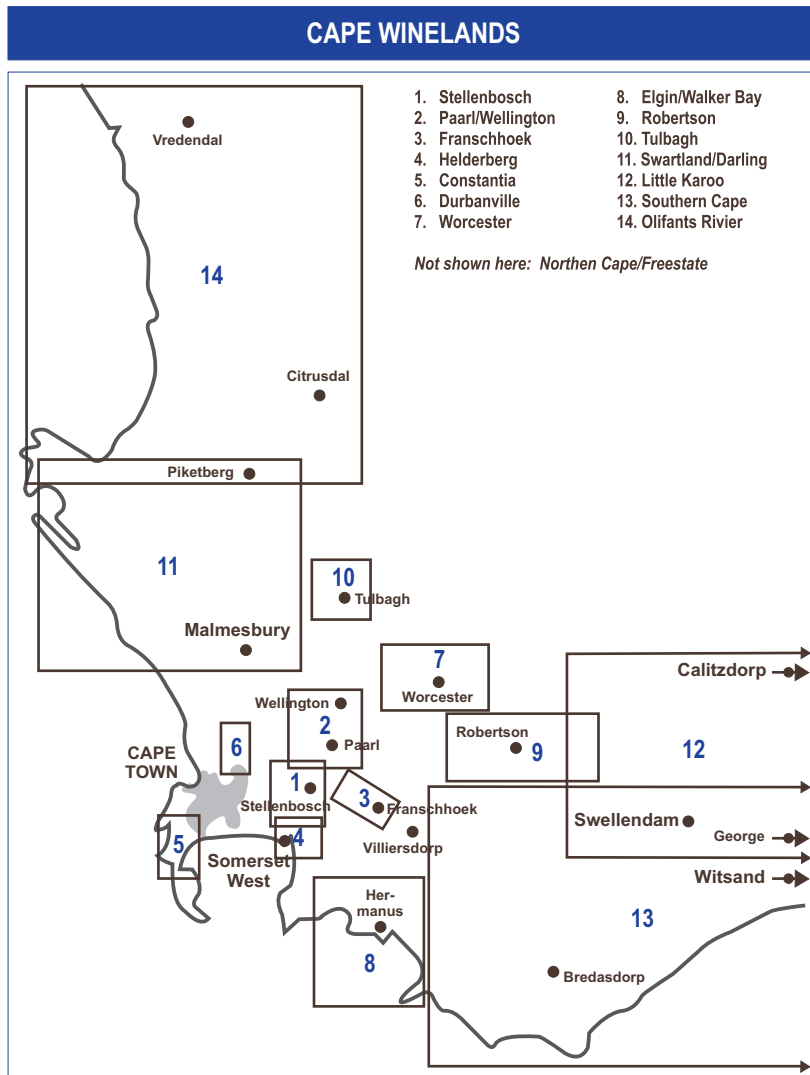

## **With Red blends**

Our selection varies from the lighter styles through to the more full-bodied, but they essentially have Cabernet Sauvignon as a base-blending partner. Crab Masala and several other seafood curries, as well as Rogan Josh and Kerely Lamb Sheekh are further enhanced by the complexity of the heavier blends.

## **With Desserts**

We have a selection of several dessert and port wines, as well as estate brandies, cognacs and armagnacs to compliment your choice of dessert. Please feel free to discuss your postprandial selection with your server.

# WINE LIST

## Franschoek

The Franschoek valley is a small but significant region, inland (to the west) of Stellenbosch. Surrounded by the spooky-sounding Drakenstein mountains, the wide variety of soils and relatively high rainfall permits production of a wide variety of wine styles. It's a hotter region than Stellenbosch, and with its profusion of trendy restaurants it can rightfully claim to be the gourmet capital of the winelands. An easy day trip from Cape Town.

## Paarl

Well known region north-west of Cape Town, and home to several leading producers, including Veenwouden, Nederburg, Fairview, Glen Carlou and Plaisir de Merle. Traditionally a white wine region, but with its Mediterranean climate and terroirs it's now focusing more on reds. Hotter than Stellenbosch, so the very best wines come from the more elevated vineyards.

## Robertson

Some 120 km east of Cape Town, next door to Worcester, this hot region is rather paradoxically best known for its whites. De Wetshof, Springfield and Graham Beck are among the leading producers here.

## Stellenbosch

Just a short distance east of Cape Town, this is the country's leading wine area, and is home to many of the country's leading estates. There are several different subregions, and the geology here is quite complex. Simplistically, the granite-based soils in the east are especially suited to the production of fine red wines, whereas the sandstone soils in the west are best for whites.
